Approved For Release 2008/01/30: CIA-RDP83-00418R006000130004-6 SECRET . 25X1 SECRET 25X1 - 2 amount of high-quality cement delivered by the Cement Works at Labatlan for military construction has doubled. While formerly 40 to 50 tons of cement per month were alloted to the Defense Ministry, this amount has increased to 100 to 120 tons per month since April 1956. 6. no practice air raid alerts were held, and no preparations made for evacuation of the civilian population. During April 1956, the entire Hungarian population, in both towns and villages, was inoculated against typhus. In 1955 the huge air raid shelter located in a rock on Jokai utca in Veszprém (N 47-05, E 17-54) was completely rebuilt and is now guarded by military sentries. 25X1
